Request for Correction

Sir:

After reviewing the Notice of Allowance mailed 12/29/2005 applicant noticed that the
title of the invention was listed as:

"SYSTEM, METHOD AND ARTICLE OF MANUFACTUR E FOR PROVIDING
CRYPTOGRAPHIC SERVICES UTILIZING A NETWORK"

instead of:

"SYSTEM, METHOD AND ARTICLE OF MANUFACTURE FOR PROVIDING
CRYPTOGRAPHIC SERVICES UTILIZING A NETWORK".

On review of the file, the originally filed ADS had correctly listed the title (abet with an
unfortunate line break between the character "R" and the character "E"). As did the

PATENT

application's title page, and the Utility Patent Application Transmittal. Applicant includes herewith copies of these documents.

Applicant respectfully asserts that this was an error made by the office and requests that the title be corrected prior to issuing this application as a patent. If, per chance, the office determines that a fee is required authorization for that fee is hereby provided.

Should any additional issues remain, or if I can be of any additional assistance, please do not hesitate to contact me at (650) 812-4259.

Respectfully submitted,

/Daniel B. Curtis #39159/
